Subject: REQUEST FOR DS TDY AND FTE SUPPORT

1. (SBU) SUMMARY AND ACTION REQUEST: As Tripoli seeks to transition from emergency to normalized security operations, post and the RSO face a considerable workload in a constantly evolving environment. Accomplishment of RSO's core objectives -- essential support for movement security, including continuing high volume of senior-level visits; rebuilding and expanding post's PSA Local Guard Force (LGF); managing major physical security projects; creating a locally engaged bodyguard force; and establishing traditional RSO programs -- requires continued TDY support from the Department, as well as an increase in the number of our permanently assigned RSO staff. In order to transition successfully from the current MSD and SST-based security model to one that incorporates more locally based and non-emergency assets, post requests: 12 TDY DS agents for 45-60 day rotations in Tripoli (to replace our two departing MSD teams); 5 TDY DS agents for 45-60 day rotations in Benghazi; continued deployment of one MSD team through completion of training of our second LES bodyguard team (o/a July 1); one TDY ARSO from April 1 til July 1; and one WAE TDY'er to assist with LGF program development and emergency planning. In addition, post requests an increase in full-time staffing for RSO Tripoli to include: one RSO, one Deputy RSO, and four ARSOs. Post is extremely grateful for the extraordinary support provided by DS as we transition to normalized security operations. End summary and action request.

2. (SBU) As noted in our EAC reports and regular DS spot reports, the security environment in Tripoli remains uncertain and unstable. Although there has been a marked decrease in the number of militia checkpoints around Tripoli, the Transitional National Council (TNC) has not yet succeeded in demobilizing the multiple militias or bringing them into a centralized command and control structure. This uncertain environment is likely to continue through the entire transition cycle, which as outlined in the TNC's constitutional charter, is

expected to last at least one year beyond the June 2012 election for the constitutional assembly. In REF A, Post provided a detailed description of the evolving security environment at Post, VIP visit demands, physical security projects underway, and an update of LGF and LES close protection recruitment, staffing, and training efforts.

3. (SBU) As recommended by the Department, post is developing plans to transition our security staffing from an MSD and SST-based model to one that incorporates more locally based and non-emergency assets. Post requests the following support:

-TDY DS AGENTS: Post requests twelve (12) TDY DS agents, with a preference for high-threat trained personnel, for 45-60 day rotations, to provide movement and static security in lieu of two MSD teams. Since Tripoli reopened in September 2011, post has relied on three teams of MSD agents (18 DS agents) to provide emergency support in support of our operations. One of the three MSD teams departed post in March and was not replaced. While post has reduced its movement security profile in light of a general improvement in the security environment, Post requires a DS escort for movement of personnel who have not received FACT, SNOE, or similar post provided training. Currently, MSD and SST personnel man two Quick Reaction Force (QRF) elements, deployed as a response force, for all day time movements in Tripoli. Movements after 1800 hrs generally require QRF support and a DS escort in the vehicle. MSD and SST personnel also provide personnel to support COM and DCM movement teams. Post also is required to deploy MSD and SST personnel to support VIP visits, which occur at rate of 3-5 per month. Finally, MSD and SST assets provide static armed security at the temporary Chancery and interim Residential compounds. As Post's LES close protection assets and program expands, we would expect the number of TDY DS agents to contract accordingly, with a planned complete reduction of TDY DS agents in Tripoli within the next 3-5 months. However, complete elimination of our USDH TDY security presence is contingent upon post receiving host government permission to arm our LES bodyguard force.

-DS AGENT SUPPORT IN BENGHAZI: Post requests continued support for 5 TDY DS agents in Benghazi on 45-60 day rotations. This number is required to ensure that we have an appropriate USDH presence to protect our COMSEC; support the two long-term USDH TDY'ers; and support an increasing number of program/assistance TDY's from both Tripoli and Washington. The number of TDY'ers in Benghazi is expected to increase in the run-up to the June elections. Embassy Tripoli is in the process of recruiting four LES drivers and an RSO LES SPSS, which will support operations in Benghazi. Post also plans to deploy a TDY RSO from Tripoli once expanded permanent staffing is established and stabilized. Once these positions are filled, Post anticipates requiring fewer TDY DS agents to support Benghazi. Although an LGF contractor has begun operations in Benghazi, initial discussions regarding contractor-provided armed close protection / movement support does not appear viable based on complications regarding GOL firearms permits. Currently, the LGF contractor is able to obtain only short-term (48-72 hr) firearms permits for specific VIP visits.

-MSD TEAMS: Post requests the continued deployment of one MSD team of six agents to provide training team assistance for a surge of newly hired LGF and LES movement security. We would expect the first group of 12 LES movement security team members to complete an 8-week MSD led training course on April 19 and a second group of 12 team members to complete the same training on June 14. Approximately 50 newly hired LGF will complete MSD assisted two-week basic training courses by mid-April. Post anticipates the departure of the MSD training team upon completion of the second LES movement security team training course and deployment, on/about July 1, 2012. Post requests that the second MSD team currently deployed until mid-May be replaced with the aforementioned TDY non-MSD DS agents.

-ARSO SUPPORT: Post expects its two permanent ARSOs to arrive in mid-April and mid-June respectively. Post

requests one TDY DS AGENT with prior ARSO experience to act in a TDY ARSO capacity for periods of 45-60 days beginning on April 1 until July 1.

-ADDITIONAL SUPPORT: Post requests one WAE TDYer to assist with LGF program development and assist with emergency planning, to include development of Post's Emergency Action Plan (EAP).

4. (SBU) FULL TIME STAFFING: Given the vast increase in the number of programs and personnel that RSO is required to manage as well as the fluid security environment in which those programs must be built, Post supports the proposed full time staffing for RSO Tripoli of 1 RSO, 1 Deputy RSO, and 4 Assistant RSOs. As Post expects continued operations in Benghazi through CY 2012 and Tripoli's tours of duty to remain at one year, the proposed permanent staffing would provide sufficient support during periods of RR/RRBs while also stabilizing support for operations in Benghazi.

5. (U) Embassy Tripoli is extremely grateful for the extraordinary support provided by DS as we transition to normalized security operations. Point of contact for this request is Eric A. Nordstrom, RSO Tripoli, [REDACTED] 24hr VOIP/TOC - [REDACTED].
