Gentlemen,

My facilitator reports it was hit by a RPG. No casualties.

He is receiving two reports on the street:

1) A Egyptian Christian in the states showed a movie disrespecting Mohammed. So they are attacking our Mission here and in Cairo.

2) Anniversary of Sept.11th

Myself and [Redacted] are being told by our facilitators to not exit our hotels until things calm down. We will do so till they feel it is safe.

V/R,
